INTRODUCTION

SOUTH PALM RESORT MALDIVES

Located on a private island at the remote, southern tip of the Maldives, South Palm Resort Maldives is a haven of peace and tranquility, a million miles from the stresses and strains of everyday life.

Whether you are traveling with friends, family or that special someone, South Palm Resort Maldives is the perfect, barefoot, beach destination.

A 10-minute speedboat ride from Gan International Airport, Addu Atoll, the resort has 130 villas in six room categories.

A magical spa, set around the island's natural lake (or kulhi in the local Dhivehi language), boasts the first floating spa room in Maldives, possibly the world. Accessible only by Dhoani, a traditional Maldivian boat.

LOCATION

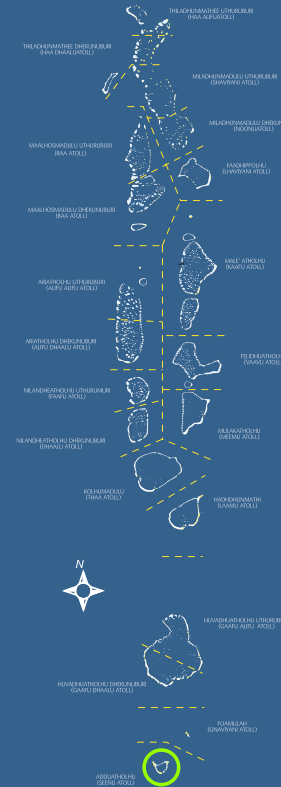

ISMEHELA HERA ADDU CITY, MALDIVES

Maldives is one of the world's most popular and south-after holiday destinations, famous throughout for its astonishing natural beauty. The one thousand two hundred tropical islands which make up this Indian Ocean nation are a picture postcard of paradise; with soft, white sands, swaying coconut palms, and brilliant, azure lagoons.

Addu is one of the most untouched, and interesting, Maldivian atolls. With astonishing marine life, including all-year Manta Ray and Dolphin sightings, fascinating colonial history, and a spectacular southern hemisphere setting, the atoll is popular with divers, as well as those wanting to get off the beaten path to find their own, untouched slice of Maldivian bliss.

Ismehele Hera is on the eastern edge of the heart-shaped Addu Atoll. A natural island with its own, small lake, Ismehele Hera is blessed with stunning ocean views, a beautiful beach, crystal clear lagoon, and lush tropical vegetation. Close to the local island of Hulhumee dhoo, Ismehele Hera is a great place to explore Addu's unique cultural heritage.
